

Appl. No.: 10/692,273

REMARKS

The above amendment was originally attempted to be made in the amendment filed with the reissue application, but the format was incorrect. The amendment filed 9/9/2009 again attempted to make the amendment, but a typographical error had the wrong deletion.

It is believed that this amendment does not require a supplemental reissue oath/declaration because it should already be covered by the reissue declarations previously filed; being only an editorial or clerical error versus a prior amendment.

Should any unresolved issue remain, the examiner is invited to call applicant's attorney at the telephone number indicated below.

Respectfully submitted,

Mark F. Harrington (Reg. No. 31,686)
